This band's songs emerge from classic American traditions – rock, country and pop. But Heaton accomplishes what few songwriters and performers do; he makes the tried and true feel new again. With almost two decades of experience, Tramps Like Us is arguably the world's greatest Bruce Springsteen tribute band. This New York-based band has been praised by the Boss's former manager Mike Appel himself. For Tramps Like Us, paying tribute to the Boss and the "E" Street Band has nothing to do with appearances and everything to do with the music. Tramps Like Us performs a straight 3 ½ hour show with raw delivery and first rate musicianship reminiscent of the Boss and his E-Streeters.
